			Hurricane Rita made landfall in the early morning hours on Saturday, September 24. Rita was a dangerous Category 3 storm on the Saffir-Simpson scale as she moved over Sabine Pass, Texas. Rita was downgraded to a Tropical Storm by early afternoon. As Rita moved north and then east along a Jasper, TX, to Lufkin, TX, to Shreveport, LA line...torrential rains and strong winds were felt well away from the eye. Most of eastern Texas was placed under an Inland Tropical Storm warning through the evening. The storm knocked dozens of trees and power poles down as it moved through north Texas. Gusts near 50 MPH were recorded in Hunt and Hopkins counties. Wind damage in the form of downed trees and power poles was reported in Anderson, Collin, Fannin, Hopkins, and Hunt counties. Roof damage also occurred in Collin and Hunt.
